

# READTOPIA THEMATIC UNIT PRINT CENTER FORM

## Print and Go

Print individualized student materials for an entire Thematic Unit with just a few clicks!

Readtopia's **Print Center** lets you print everything each of your students need—in order of use—to participate in and complete a Thematic Unit at their individual reading level!

## HOW TO USE THIS FORM

**1** Fill out the information below and provide a printed copy of this form (or email directly to the person responsible for printing your materials).

**2** Provide access to the student materials in the Print Center. If the person responsible for printing your materials **does not have** a Readtopia account login, please download the materials onto a USB thumb drive and hand off to that person for printing.
